1. What is Character _____?

- A quality associated with God
- A quality associated with the devil
- A quality associated with God's plan for you
- A quality not built in a moment but rather formed and forged over a lifetime

"Character isn't inherited. One builds it daily by the way one thinks and acts, thought by thought, action by action. If one lets fear or hate or anger take possession of the mind, they become self-forged chains."

"Building character is an active, ongoing process. It takes conscious effort, self-awareness, and a commitment to growth. But the rewards, like deeper relationships and a stronger sense of self, are well worth the work."
