

"Character Developed" | David H. McKinley, Speaker

What is Character?

Moral and spiritual qualities consistently revealed through our attitudes, choices and actions and marked by integrity, humility, faithfulness, courage, love and more.

"Character is the sum total of our moral and spiritual qualities consistently revealed through our attitudes, choices, and actions."

"Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." —John Adams

Why Does Character Matter?

Every relationship, responsibility and activity is affected by our character.

1. How is Character Developed?

God never stops hammering those things in me that need to be nailed down or filing my sharp edges or shaping my will or chipping and chiseling away on my attitude. He is on a quest for character all of our days." —Chuck Swindoll

• Trials

"Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved." —Helen Keller

[Romans 5:1-5]

"God is more interested in your character than your comfort."

[Hebrews 12:10-11]

"Your character is the script by which you interpret your life, survive your struggles, demonstrate your faith, and achieve your goals."
