

I'm Saved, So What?

1

“Christians collectively seem to be suffering from a strange amnesia. A high proportion of people who go to church have forgotten what it is all about.

2

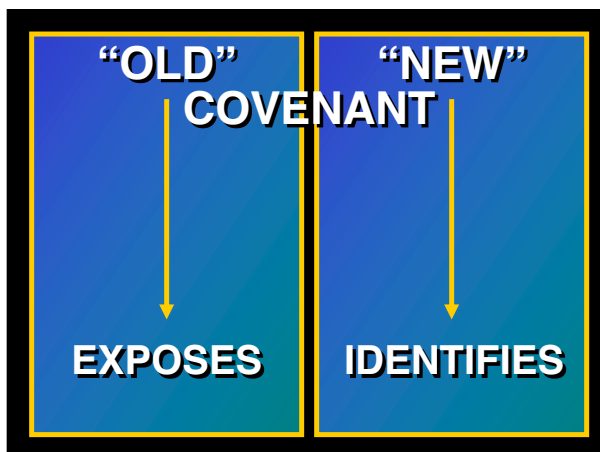

“Week by week they attend services in a special building and go through their time-honored routines, but give little thought to the purpose of what they are doing.

3

“The Bible speaks of the church as the Bride of Christ, but she often looks more like a ragged Cinderella.”
